**FORMAT 5**

This format is used by community unit and community consolidated school districts formed prior to January 1, 1975, and combined school districts formed prior to July 1, 1983, when the territory of the school district is greater than 2 congressional townships, or 72 square miles and when at least 75%, but not more than 90% of the population resides in one congressional township. In this case, 4 school board members shall be selected from that one congressional township and the 3 remaining board members shall be selected from the rest of the district. If a congressional township has the same boundaries as a political township, the township may be identified on the ballot by both its township name and by township number and range.

If 6-year terms have been adopted, appropriate adjustments should be made to the format and any unexpired terms must indicate whether it is a 4-year or a 2-year unexpired term.

If the vacancy is in remaining congressional township, indicate "remaining congressional township" instead of specific township. List area of residence for full terms according to time and date of filing or by lottery, if required. All candidates from one area of residence are listed together.
